Message from the President

The 23/24 season was a really pleasing one on many fronts. Playing results were really strong, highlighted by the excellent performances of the 1st grade team. Club spirit was high all year and the support from the rest of the club at the 1st grade T20 finals was fantastic.

In last year's report I said we should be aiming get back into the top one third of the club championship. I thought this may take a few years so it was quite an achievement to get there in one season. Congratulations to the playing and coaching group.

Michael Cant

Off the field we continued to strengthen the club

- Chatswood RSL increased their sponsorship of the club.
- We had our most successful lunch function ever, with Adam Gilchrist as the main speaker.
- The Trumper Pavilion is no longer used mid-week for childcare services and consequently we are able to redecorate the interior of the pavilion with club photos and memorabilia and showcase our rich history.
- We have forged closer relationships with Willoughby council. We need to ensure that the role of Gordon Cricket Club in the local community is appreciated at Council, so that our needs as a club are given appropriate consideration.
- Our social media presence continues to grow and the content is very engaging

I commented last year about the need to improve of our grounds and facilities. This remains a priority but pleasingly we have got some traction with both Cricket NSW and Willoughby council actively looking at this.

Our other big challenge is financing the club. Player's fees only represent a very small percentage of the cost of running the club, the balance is contributed by Grants from Cricket NSW & Cricket Australia, sponsorships and fund raising. Our annual lunch event is a significant fund raiser and the sponsorship of Chatswood RSL has been critical. However, we need to broaden our sponsorship base and revenue from this source.

Playing Performances

As I noted above our results on the field were very pleasing. We placed 6th (of 20) in the club championship. The highlight was 1st grade making the finals in all 3 formats (an amazing achievement), including runners up in the T20 competition. Pleasingly we made semi-finals in 6 of the 10 competitions we contested - 1st Grade, 5th Grade, 1st Grade limited over, 1st grade T20, Poidevin-Gray (U21) and Green Shield (U16).

I must mention the incredible season of Tym Crawford who scored 1303 runs in all matches at an average of 56.65, including 5 centuries. His innings of 205* v Penrith in a 1-day game was absolutely phenomenal. Tym was the leading run scorer in the whole SCA competition and the (joint) winner of the SCA Bill O'Reilly medal. In addition to his individual performances Tym

**Tym Crawford – Joint
Bill O'Reilly Medalist**

led the team superbly and was deservedly named as the SCA 1st grade captain of the year. In recognition of his outstanding season, he was selected to play for NSW 2nd XI. Not surprisingly Tym Crawford won the Gordon player of the year.

We again had a good representation of Gordon players in NSW age representative teams. Congratulations to Trystan Kennedy (U19 Metro), Joey Gillard (U19 Country), Bryce Cook (U19 Country) and Jaylen Johnston (U17 Country). Trystan also played for NSW U19 v Vic where he made a century. Vivan Ghandi and Tyler McInnes were selected in the Green Shield Merit team.

We are a very young club, including in our top grades. To have had the success we did last season with such a young group is a great sign for the future. If the playing group can stick together, then we can look forward to some really good seasons in the coming years - and maybe even a premiership!

Coaching

Elliot Richtor was again head coach, supported by Paul McLean and Brett Hunter. It was really good to see Macca back at the club.

Matt Nicholson did a great job coaching and mentoring our quicks, and Brett Rosen worked well with our keepers. Unfortunately, due to unforeseen circumstances we didn't have access to our planned specialist batting and spin bowling coaches. Thanks to Elliot and Tym Crawford for stepping in and doing some extra batting sessions.

Nick Miller and Matt Wright again did an excellent job as coaches of the Green Shield. It's always a challenge running practice with 40-50 players and limited hours and nets. However, our coaching group did an excellent job. Thanks to all our coaches.

We will continue to place a high importance on having good coaching at the club.

Off Field

The off-field highlight was the T20 semi-final and final. Despite both games being away from home, we had an excellent roll up of players to support and they created a wonderful atmosphere.

We also had a successful past player and supporters' day at Chatswood Oval, held in conjunction with the 1st grade limited oval semi-final. This day is an important way of staying connected with our past players. It's also a great opportunity to thank our sponsors and showcase the role Gordon Cricket Club plays in the community. It was also very pleasing to see a number of local councilors in attendance.

There was a good social aspect to the season, with a number of functions held during the season. Thanks to the players committee for driving this.

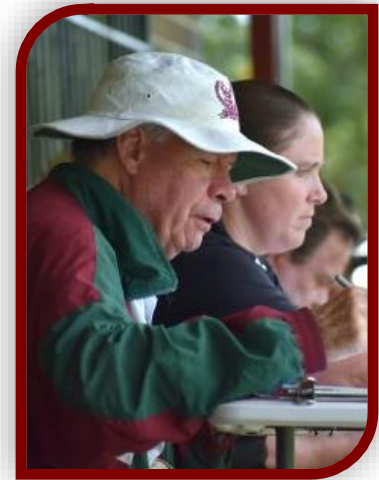

Our annual golf day was again held at Long Reef golf club and was a very enjoyable and successful event. We had a good roll up of 80 players, although next year we would like to see a bigger representation from people at the club. Thanks to Dave Bezer for organizing the day.

We had a core group of players who regularly helped out off field, whether that be social, covers or the myriad of other things that go into running a cricket club. Thanks to those that rolled up their sleeves and helped out. Being part of the club is more than just playing on a Saturday, and we need more players to get involved.

I acknowledge the contribution of Quincy Titterton as Club Captain. Quincy is a passionate club man and he brought all of this and energy into the role. He has announced his retirement from premier cricket, but we hope to see him around the club in some capacity. Thanks Quincy for all you have done in your time at Gordon.

Clubman of the Year

The Clubman of the Year was Andy Falk. Falty has done just about every job at the club, and in some ways the award is a reflection of his 20+ years of service not just last season. Last season he was scorer for 1st grade and PGs (Saturday & Sunday nearly every weekend), and also did a huge amount mid-week in his capacity as Secretary of the club. The hours Andy gives to support our club is immense. Thanks, Falty.

Andy Falk

The Junior Clubman of the Year was awarded to Tom Stacy. Tom was active over the season, helping with set up on match day and training. When he was injured in the back half of the season, he continued to come along to all the games and scored for 2nd grade. Tom was also involved in many of the clubs' social activities. On the field Tom was key member of the 2nd grade side before injury caused him to miss much of the latter part of the season. Despite not being fully fit he returned to play 3rds in the final round when we were short of players and made a dashing 30 opening the batting.

Tom Stacy

Sponsors, Donors, Fund Raising

We were again fortunate to have Chatswood RSL as our Platinum sponsor, with an increased level of sponsorship. This sponsorship spans the whole Gordon District Cricket Club (men's, women's and juniors).

I thank all of our sponsors your support is very important and greatly appreciated -

- Platinum Sponsor: Chatswood RSL
- Silver Sponsors: Hickman & Ritchard Financial Planning, DLK Construction, CAAA
- Other Sponsors: Olympic Hotel, AnyStage Physiotherapy, 2 Reds.

The Gordon Lunch is now an annual feature on the calendar. Last year's event was the wicket keepers lunch featuring Adam Gilchrist, Phil Emery, and Peter Nevill. The day was another huge success – both financially and socially. Congratulations to Glenn Tullia for making the day happen.

We again ran a fund-raising campaign through the Australian Sport Foundation, which provides a tax effective way for people to donate to the club. To those who donated, I say a big thank you.

Grounds

The quality of pitches at each of our grounds was good most of the season, but early in season they had too little grass overall and were slow and low. For the early part of the season the outfield at each of our grounds were below the required standard. From December onward the outfields were in

much better condition and Chatswood Oval in particular was looking great in the 2nd half of the season.

Ground ratings are set out below. The Chatswood Oval rating was low, in part due to the poor conditions in the first few months. Ratings were better as the season progressed.

Chatswood Oval	6.93 (19 th of 20)
Killara Oval	6.92 (35 th of 38)
Beauchamp Park	7.80 (20 th of 38)

Thanks to Glenn, Matt and Mal for all your work. We appreciate all the work you do and understand the challenges that you face given multiple uses for all the grounds. I also acknowledge the support of Willoughby and Ku-ring-gai Councils in preparing the grounds we use.

The switch from winter to summer sports and getting the outfield fields in good condition for cricket remains a perennial challenge. We continue to work with both our local councils to improve this issue.

Juniors Division

Under the leadership of Chris Rigg, the Gordon Junior Club had a very successful season. We fielded 21 teams with 7 teams making grand finals and 4 premiers.

Pleasingly, we are seeing a good number of Gordon Juniors progress through to our Green Shield and Academy Squads.

Gordon Women's Division

Having a strong and vibrant women's club is a real asset for Gordon. We continue to have a very close working relationship with the Gordon Women's club. I thank Beny Chun for the ongoing strong collaboration between the men's and women's clubs.

The Gordon Women's club faces the same challenges as we do, and we are increasingly working together on these things together.

Volunteers

Running a Premier Cricket Club takes time and effort. I wanted to acknowledge the following groups:

- Executive Committee - Andrew Falk, Mark Carmichael, Scott Hinton, Rob Carruthers, Glenn Tullia, Geoff Hickman, Jim Wright, Geoff Keevers, Ben Woods
- Selectors - Geoff Hickman, Ed Howitt, Ben Woods
- Match Day Management - Prem Kumar, Antony Bladen, Mike Weaver, Sam Buono and all the parents who helped during the season as part of the roster.
- Scorers - Andrew Falk
- Covers - Scott Hinton and those players who helped.
- Dave Bezer for organizing the golf day.
- Bala Subramanian for his help with the supporters and past players day.
- Players committee – Quincy Titterton, Matt Keevers, James Loynes, Connor Cook
- Juniors - Chris Rigg and junior committee, plus parents who manage or coach teams.
- Gordon Women - Beny Chun and the Gordon women's committee

We have a good core group of volunteers but many of them have been involved in the club for many years. We would love to see some new faces next season.

Life Member Nominations

At this year's AGM we have two nominations for Life Member. I want to say a few words about each.

Mark Carmichael

Mark has been involved in the club for around 15 years, starting when his son was part of our Green Shield team. Throughout that time Mark has been a very active volunteer and is someone who is always looking to do the best by the club. Mark has contributed in a number of different capacities, including Chairman of Selectors and currently Head of the Cricket Committee. Mark loves the game of cricket and can be seen around the grounds most weekends, watching the current players, while reminiscing about grade cricket in years past. Despite having never played for Gordon (his playing days were at Petersham-Marrickville and UNSW), Mark has made a very significant contribution to Gordon and would be a worthy Life Member of our club.

Mark Carmichael

Matt Nicholson

I had the good fortune to play with Matt when he first came into 1st grade as a 17 year old. He quickly made an impact as an outstanding player who was destined for higher honors. Matt ventured West in his early 20's seeking opportunities to play 1st class cricket, where he had a very successful career culminating in the ultimate achievement of representing Australia in Test cricket. Fortunately for Gordon Matt returned to Sydney in the latter part of his career where he captained NSW and Gordon with distinction, including leading Gordon to a grand final. After hanging up his playing boots Matt has remained very involved with the club, and in particular has been instrumental in coaching and developing our quick bowlers. It is rare for someone who achieved what Matt did in his playing career to also make such a large contribution after their playing days are over. Matt is one of Gordon's favorite sons and very deserving of life membership.

Gordon Women's Cricket Club President's Message

Overview

- Congratulations to Manly in securing their first Club Championship and Sydney Cricket Club for winning the 1st Grade title for Season 2023 / 24.
- Women's Premier Cricket is clearly on a growth trajectory with two additional Brewer teams and one 2nd Grade team. Congratulations to UTS North Sydney on winning the 2nd Grade competition in their inaugural season.
- Well done to our Players and Coaches finishing sixth on the Club Championship. A two-place improvement over last season. It was a very compressed ladder across all grades and all our teams were within finals contention up until the last round of the competition.
- Thank you Cricket NSW & SCA for organising the best Women's Premier Cricket competition in the world and we look forward to contributing, evolving the competition and continuing participation in the future.

Beny Chun

Gordon District Junior Cricket Club President's Message

What a fantastic season for Gordon Junior Cricket Club and one of the most successful in the club's history. The weather held up and most teams only lost a few rounds to rain across the 18-week season. There were some very strong team performances throughout the season resulting in 6 minor premierships. Four teams going on to take out major grand finals and claim the premiership. Congratulations to the U11 Red, U11/12 Div 3 Green, U13 T20 Green and U15 T20 Green.

In the U11's it was an all-Gordon final between U11 Red and U11 Silver. Red compiled a very competitive 157 at Northbridge oval. Handy contributions from all the team but led by A. Khurana with 23. A. Pasminka was a standout with the ball claiming 3-3 which included a hat-trick. The chase started well but J. McNamara (4-6) and O. Gunaji (3-3) claimed vital wickets and unfortunately team Silver fell short scoring 123. Well done to both teams on extremely successful seasons.

Another all-Gordon final occurred at 1pm as Gordon Green took on Gordon Red in the U11/12 Div 3 final. Team Red posted a respectable 5-89, A. Jawaad top scoring with 29. Despite losing some early wickets J. Boyd (27) laid a solid foundation at the top and together with J. Gooley (26) saw the team home in the 16th over. Well done to both teams especially the club spirit shown between teams on the day.

In the U13 T20 final on Sunday, it was Gordon Green playing archrivals Mosman. Gordon batted first and made a competitive 3-125 set up by J. Duffy 32, H. Koch 31 and S. Clarke 28. Gordon produced a brilliant bowling and fielding display with the spoils shared amongst the entire side. Mosman fell short by 41 runs. A great win from the boys who remained undefeated for the season, balancing a squad of 12 players who all shared in the celebrations.

Gordon saved its best victory of the season until last as the U15 T20 Green again played Mosman for the title. Mosman set a challenging score of 4-121. At 3-95 in the 14th over Gordon was well in control thanks largely to A. Rufhus dominating with 32 off 14 balls. However, the runs started to dry up. The penultimate over went for 1 run which left Gordon chasing 7 runs for victory in the final over. A few singles and dot balls left 4 runs to win off the last ball. A swing across the line sent a ball deep to backward square where a

Under 11/12 Div 3 Green

fielder had come off the fence. Luckily it evaded him and rolled across the boundary for the winning runs sending the entire group into mass celebrations. Well done on the win and a successful season.

This season we saw a slight decrease in player numbers (215 across 21 teams) registering for the juniors U9s - U17s. Gordon fielded teams in every age group of the North Shore Junior Cricket Association competitions. All of the teams provide players with an equal opportunity to both bat and bowl.

Gordon Juniors continued to run our Blaster Program out of Chatswood High School on Saturday mornings from 8:00 - 9:30am. We returned to healthy numbers with Junior Blasters (27 participants) and Blasters competition (27 participants). It was great to see some many young children enjoying cricket, skills and activities. We thank all the parents, carers and volunteers who made the concerted effort to get along early on Saturday morning to make this such an enjoyable experience for all the children.

Under 13 T20 Green

A massive thank you must go to Harish Palagummi, who coordinated the Junior Blasters programme as well as setting up the playing fields for all our competition Blasters. Harish was fantastic with the children and developed a strong programme to learn the basic cricketing skills.

Under 15 T20 Green

Thank you also to Catherine Ballesty from CNSW for their continued support and providing a catching inflatable at seasons end.

A huge thank you also to Olivia Linfoot and Charlise Cannon from Gordon Women's Brewers team who helped Harish in providing coaching to all our young Blasters. The girls really enjoyed their time helping the kids through a range of activities.

Each season, players from all North Shore junior clubs are invited to trial for the various age group representative teams which play in the NSW Youth Championships. Both Mayrra Rathore and Myra Guglani collected awards for outstanding achievements in the Mollie Dive and Peden Cup respectively.

Gordon Junior Cricket Club continues to follow the Junior cricket pathway as set down by Cricket Australia. This ensures both boys and girls get an equal opportunity to participate in all facets of the game in a safe and friendly environment.

I would thank all our mums, dads, carers and volunteers who helped throughout the season in coaching, managing, scoring and umpiring the teams. Without your valued support we would not have this great family cricket Club. In particular, thank you Edwina Dorney (under 10s) and Rajiv Khurana (under 11s) for your fantastic efforts in coordinating the younger players.

Most importantly, thanks to all boys and girls from all teams who played the game in the true Gordon Spirit and showing great sportsmanship in all games played.

Financial & Auditors Report

On behalf of the Management Committee of Gordon District Cricket Club Inc (GDCC) I am pleased to report on the financial position of GDCC as at 31 May 2024 and the financial performance of its operations for the year then ended.

For the financial year GDCC reported a statutory profit of \$16,195 (2023 \$2,063).

This year's surplus significantly exceeded the plan due to several one-offs. Firstly, a thank you to NSJCA for covering the budgeted ground charges for both the Junior and Master Blasters. Our Grade T20 team finished runners-up of the Kingsgrove Sports T20 Cup delivering prize money of \$4,000 despite not playing any home games. Whilst the club enjoyed a successful season, making the finals in a number of grades, none of the final series games were played at home resulting in an underspend of ground charges compared to budget.

This year's surplus adds to the members' funds which have been built over the last ten years. These member funds are now at a level which provides GDCC with adequate working capital, the resilience to survive a poor fiscal year and most importantly funds which can be deployed in conjunction with Willoughby Council and Cricket NSW to bring to fruition infrastructure improvement projects.

The Junior Club is funded by player playing fees. The Junior Club is proud of its Community Club status and is extremely conscious of the need to ensure that it remains affordable and inclusive. Junior registrations were flat compared to the 2022-23 season.

To keep the Grade playing fees affordable for a largely student playing cohort means that GDCC is heavily reliant on grants from Cricket NSW, sponsorship, and fundraising. The decision by Chatswood RSL Club to award GDCC a significant grant under their 2023 Club Grants program was most welcome. I am delighted to advise that Chatswood RSL Club has included GDCC and Gordon Women's Clubs jointly in their 2024 Club Grants program at the maximum grant allowable for the coming 2024-25 season. GDCC continued the arrangement with the Australian Sports Foundation to permit tax deductible donations to be made to the Club.

Fundraising is a necessary and integral part of GDCC operations. The Cricket Legends lunch was held in October, attended by over 360 people. The lunch successfully raised the profile of GDCC and returned a surplus exceeding \$53,000.

The increase in the inflation rate over the past year means that the cost pressures on GDCC will only worsen. Willoughby Council have indicated that ground hire charges will increase by 4.3% and Ku-ring-gai Council 5.6% in the coming year. Both Councils' longer-term strategy is to increase fees and charges in excess of inflation to compensate for rate pegging.

GDCC remains in a strong financial position with member's funds of \$146,269 (2023 \$130,074) and a significant cash reserve.

On behalf of the Management Committee, I would like to acknowledge and thank Cricket NSW, Chatswood RSL Club, the Club's sponsors, supporters who made donations and all those involved in the Cricket Legends function for their support of the Club. It would be remiss not

Geoff Keevers

to acknowledge those people who chose to support the Club through their involvement in match day management, coaching and operations.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Plant and Equipment	10%-50%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

GENERAL - ADMINISTRATION

This season we saw a revised program for matches in Premier Cricket. The Preliminary Rounds of the Kingsgrove Sports T20 competition kicked off early for 1st Grade and the Kingsgrove Finals were done and dusted by early November. Lower grades started a week "late" – "The first round of Sydney Grade cricket is ALWAYS the fourth Saturday in September" - and they played 16 rounds throughout the season. Two-day cricket was maximized for 1st Grade with 3 Saturday/Sunday fixtures, LO matches were generally played in December and January while the BBL was on and the final round was a TWO-DAY round for the first time in many-years!

1st Grade reached the Grand Final of the Kingsgrove Sports T20 competition and made the Finals Series in both the Limited Overs competition and the Belvidere Cup. After coming 19th last season, 5th on the main ladder this year was MUCH more enjoyable for all involved!

In other competitions, 5th Grade, Green Shield and Poidevin Gray all made their respective Finals Series while 2nd, 3rd, and 4th grades were all in the top half of their respective competition tables. Overall, we improved in the Club Championship from 12th to 6th – definitely heading in the right direction but again unable to bring home any silverware.

The highlight, of course, was 1st Grade Captain, Tym Crawford's, extraordinary season with the bat. He smashed the Gordon 1st Grade Batting Aggregate Runs record with a mind-blowing 1303 runs. This rates 10th on the all-time ladder for runs scored in a season in Sydney Grade Cricket/NSW Premier Cricket and was the most runs scored in Premier Cricket competitions across all States and Territories in Australia for the 2023-24 season. The most remarkable aspect was that, for the first two months of the season, Tym's performances could be described as "mediocre", at best! It was only during the Saturday/Sunday fixture against North Sydney in early December when the "switch turned".

Tym was duly selected to play in a NSW Second XI game later in the season, he won the "O'Reilly Medal for the "Best & Fairest" player in NSW Premier Cricket and was, therefore, selected as Captain of the SCA's 1st Grade Merit Team. Then, to cap off the various awards at the SCA's Annual Presentation Night, he was named the 1st Grade Captain of the Year.

Another most-pleasing aspect of the 1st Grade season was that a number of the younger players put in some outstanding performances. A bit more consistency and this group could develop into a real force. Belvidere Cup potential? Maybe? We dare to dream.....

I complained last year that we have an ever-reducing number of helpers around the Club, especially on match days. There was little improvement this year!

Off the field, there were several outstanding successes. The annual luncheon at Dockside in October with former Gordon player, Adam Gilchrist as the Special Guest, was most enjoyable and financially successful. Funds from the luncheon, an increase in the sponsorship funding from the Chatswood RSL Club, a small contribution from the annual Golf Day at Long Reef in March, the Runners-Up cheque

from the Kingsgrove Sports T20 competition and some generous individual donations ensured another solid financial result.

One of the other off-field “successes” was that the Gordon Cricket and Rugby Clubs were able to re-claim full use of the room under the Trumper Pavilion at Chatswood Oval. The Chatswood Day Care group which was run, and funded, by Willoughby Council did not renew their lease in December and moved out before Christmas. This meant that we were able to hang our photos and memorabilia back up on the walls and setting-up and packing-up on playing days was considerably simpler. Some minor tidying-up of the facilities at Chatswood are expected prior to the Trumper Pavilion’s Centenary celebrations later in the year.

Again, this year’s End-of-Season Awards function was held as a relatively informal sit-down dinner at the Greengate Hotel in Killara on 20th April. Ed Howitt Jnr did much to organise the various trophies and awards for this function, Paul Stephenson kindly arranged photographic awards and Ryan Tullia capably acted as the MC. Attendee numbers were up and a good night was enjoyed by everyone present.

Mark Carmichael again chaired the Club’s Cricket Committee with responsibility for recruitment and retention of players, selections, coaching and training. This season, the Selection Committee, headed by Geoff Hickman and with Ed Howitt, Club Coach Elliot Richtor, Ben Woods and the grade captains, was able to select teams without as many last-minute pull-outs and planned withdrawals. However, there were still plenty of these to keep the selectors on their toes. Whatever happened to taking holidays in the off-season or missing the wedding ceremony and turning up to the Reception after stumps or even convincing “real” friends to delay their wedding until after the end of the cricket season or, if they have to do it in summer time, doing it mid-week?? What is the world coming to??

After plenty of hard work over more than 8 years, the Club’s Junior Development and Country Programs are starting to bear fruit with a vast majority of the current top-grade players having come via these pathways. Over many years, Bob Thomas has identified good, young cricketers from across Sydney and through regional NSW and has introduced them to the Club via our Green Shield and Poidevin Gray squads. From there, the better ones have made their way into the top grades. Again this year, the Green Shield and Poidevin Gray teams reached their respective quarter finals so we can expect a continuing flow into Grade cricket in the coming years and meanwhile more and more of these players are achieving recognition through selection in Cricket NSW’s Metropolitan and Country Under-Age Representative and Development Squads.

Off the field, there was plenty happening as well, of course:

Executive Committee:

- Geoff Keevers continues to manage the finances of the Club with incredible efficiency.
- Jim Wright, as Director of Communications, continues to provide fresh and current posts for the Club’s website and social media platforms. He and Tony Wilson provide regular high-quality photos for the Club’s Facebook and Instagram pages and also, on occasions, for promotional material for Cricket NSW.
Frogbox is used for live streaming of all matches at Chatswood Oval, male and female. Matches can be watched on YouTube or via the PlayCricket App with links to PlayHQ live-scoring.
- Changes have been subtle so far but Ben Woods, our Director of Facilities, is starting to achieve some positive momentum from applying for various Local and State Government grants for upgrades to our facilities at our grounds. Ben and our President, Michael Cant, are forging stronger links with Councils and, especially with the Centenary of the Trumper Pavilion at Chatswood Oval coming up later in 2024, we can look forward to some action.

Ben also took on a selection role, specifically for the lower grades and Colts and was the primary contact for the Club with the Metro Cup administration team, now inside the Community Cricket Department of Cricket NSW.

- Scott Hinton continued as a Director on the Executive Committee. Scott does a great job each season booking grounds for Gordon CC Premier teams, male and female, Metro Cup and Junior club and Rep matches so that our grounds are fully utilised. There are often last-minute changes and Scott has the phone numbers of Bookings Officers from Ku-ring-gai, Willoughby, Lane Cove, North Sydney and Mosman Councils on speed dial. The “shuffling” of grounds, especially for Sunday matches, is obviously incredibly taxing because Scotty gets plenty of R & R by flitting off overseas or interstate to play golf regularly throughout the year. This doesn’t stop him making changes or bookings on the run – the walk between a green and the next tee is enough time to move a North Shore Under 15 match to Killara Oval on Sunday!
- He probably won’t want me to say this but Michael Cant, as President for his second year, did a LOT of work around the Club. Apart from getting his hands dirty and doing essential jobs when others weren’t available to do them, he led the Executive Committee with distinction, he contributed to the Cricket Committee, he was regularly at training sessions at Chatswood Oval and he learned the “secret” of getting things done at Council, especially at Willoughby Council. And, importantly, he has just commenced in the role of “covers-taker-offerer” at Killara Oval on Saturday mornings. (This is a thankless job – I did it for 22 years until I needed both hips replaced – but he does live just down the road! This job is YOURS, Canty, until 2045, at least, unless you relocate interstate!)

Finally, my thanks go to (Hon. Assistant Secretary) Jim Cattlin and (former Comms Director) Paul Stephenson for their considerable work in collating and publishing this Annual Report.

The Executive Committee met on 9 occasions (to 30th June 2024) and attendances were as follows:

SYDNEY CRICKET ASSOCIATION & CRICKET NSW

NSW MEN'S PREMIER CRICKET

Cricket NSW is now firmly entrenched in its new home, known as "Cricket Central", at Silverwater in the heart of the Sydney basin. Stage 2 of the development has recently been approved and building will commence on a second "junior" playing field, outdoor synthetic practice nets, team facilities and lighting at the main ground. Spectator facilities and seating remain curiously non-existent despite several high-profile matches being played at the venue.

Gordon and Cricket NSW Life Member, Marshall Rosen, remains involved in the top echelons of cricket in the State, sitting on several CNSW Board Subcommittees including Cricket, Life Membership and the above-mentioned Wilson Park Development. Marshall was recently awarded an OAM for his services to cricket.

Andrew Falk fills the role as the Club's Delegate to Cricket NSW and also as one of the Delegates to the Sydney Cricket Association where he has now completed 22 years on the SCA's Committee of Management. Club Director of Cricket, Mark Carmichael, is the Club's other Delegate to the SCA.

The Australian Cricketers' Association (ACA) continues to provide generous financial support for every Male and Female Premier Club across Australia by funding an ACA Member to coach and/or play for that club. This season, this funding assisted in remunerating Stuart MacGill as a specialist spin-bowling coaching early in the season and Matthew Nicholson for specialist fast bowling coaching throughout.

The Premier Cricket Program for last season was revised fairly significantly. Preliminary rounds of the Kingsgrove Sports T20 competition commenced a week earlier than the rest of the "Grade" competition and were complete by the October long-weekend. Then followed an expanded Finals series, culminating in a Grand Final in early November.

Two-day and LO matches were played in blocks throughout the season, with a concentration of two-day cricket leading up to the Finals in March. Generally, the season was dry and warm-to-hot early and the loss of a full day's play due to rain was fortunately not a regular occurrence. In fact, after three seasons without having to implement the SCA's Extreme Heat Policy, this was tested again this year. Some tweaking of this Policy is occurring in the off-season.

Afternoon teas were "compulsory" in 1st and 2nd Grades, albeit that the offerings from some clubs was considerably better than from some others. 1st Grade afternoon-teas at Chatswood Oval rate highly with players and umpires!

The new competition administration and management system called PlayHQ, inflicted on clubs during the previous season to replace the old myCricket system, remains "clunky" in its application. While there have been considerable improvements, clubs have had to endure a sub-standard product over two full seasons. It is now at a stage in its development where it probably should have been two years ago but countless hours of volunteers' hours have been lost in the meanwhile.

Finally, Premier Clubs continue to be greatly appreciative of the significant funding that is provided by long-term sponsors McDonalds, Kookaburra and Kingsgrove Sports and, for a third season, we enjoyed a generous sponsorship arrangement with Gage Roads Brewing.

NSW WOMEN'S PREMIER CRICKET

Legend of the GDCC Women's Division, Jessica Henry, again served on the Cricket NSW Board's Cricket Sub-Committee. Having stepped down from her SCA responsibilities a couple of seasons ago, she obviously had some spare time on her hands as she is now on the Veterans Cricket Australia Board and the Organising Committee of Veterans Cricket NSW. And, of course, she continues to take the field for Gordon's "Mighty Reds" each weekend.

Catherine Pittaway, from Gordon's Women's Club, is starting to make her mark in at Cricket NSW. She is her club's Delegate to the Sydney Cricket Association while also sitting on the SCA's Women's Competition Sub-committee.

Craig Hambleton continued as the Chair of the SCA Women's Competition Sub-committee for a second year. Over several years, Craig has witnessed the many and various issues that have slowed the advancement of women's cricket in Sydney and across NSW. His greatest challenge remains the fact that there is some outstanding talent in the women's game "at the top", however, the depth of the talent pool drops away quickly resulting in there being insufficient players "knocking at the door" of representative levels. Generally, players in "club land" are young and inexperienced, older "mentors" aren't available and there is a talent "void" between girls aged between about 12 and 18 playing the game. There are plenty of 5- to 12-year-olds being introduced to the game at the bottom but the path for these young girls to club cricket, and beyond, remains largely undefined. The consequence is that the participation rate drops off dramatically when these girls reach high school age.

Cricket Report

Introduction

Season 2023/24 was in many respects a very successful one. Gordon fielded five grade teams and a Metropolitan Cup team, which was a strong indication of the number of players wanting to represent the club. Gordon made the finals in six of the nine competitions, with 1st grade making the final series in all three formats including the final of the T20 competition, while 5th grade, the Poidevin Gray team and AW Green Shield side all made the finals of their respective competitions.

Mark Carmichael

On Field Performance

As indicated in my introduction the season was overall a successful one. The club recorded 42 wins across the five grades, resulting in Gordon coming 6th in the Club Championship, up from 12th the previous year. It was extremely pleasing that 1st grade qualified for finals in all three formats and contested the Final in the T20 competition. At the same time 5th grade qualified for the finals series and progressed to the semi-finals. The Colts team competed strongly all season although did not qualify for finals this year.

First Grade: The team overall had an excellent season making the finals in all three formats (2 day, 50 over and T20) including making the Final of the T20 competition. During last season a number of younger players were given the opportunity to play first grade, and it was gratifying to see so many of them grow as cricketers during the year and make such valuable contributions. A special mention must be made of captain Tym Crawford whose stellar performance with the bat was rewarded with selection in the NSW Second XI and being a joint winner of the O'Reilly Medal for the best performed player in the competition.

Second Grade: The 2nd grade team had a strong season, playing some attractive cricket at times. However, a lack of consistency in the final rounds saw them finish 10th in a tightly contested competition. Captain Matt Keevers led the team extremely well and was well supported by Jamie Bekis who stepped in on occasions.

Third Grade: The team finished the season on a high, and it may well have been a year of missed opportunities, with a 9th place finish not necessarily reflecting the overall performance of the team. Captain Shreyan Deshpande did a commendable job.

Fourth Grade: 4's finished 7th on the table, missing the finals by the barest of margins. The team is to be congratulated on a good and successful season and under the leadership of Captain Steve Bristow played a highly attractive brand of cricket.

Fifth Grade: Finished 4th in the season proper and progressed to the semi-finals. This was an excellent all-round effort and one that all associated with the team should be pleased with. Captain Matt Brown led the side extremely well and it is hoped that the many younger players who were part of this team can progress through the grades in the years ahead.

Metropolitan Cup: Our Colts team had a mixed season finishing 13th on the table. Captain Neil Sammons did a great job with this young group of enthusiastic players and it is hoped that this season will assist greatly in their development as players at Gordon.

Poidevin-Gray: The competition was a mix of 50 over and T20 games which presents both opportunities and challenges for the players. The team had a strong season, finishing second in our pool although bowing out in the quarter finals. The side was well captained by Connor Cook.

A W Green Shield: The team finished 2nd on the table and performed very well during the season, recording 5 wins in the season proper, and progressing to the semi-finals. Importantly they played as a team, and it is hoped that all will continue with Gordon and progress into the grade teams in the years ahead. The side was exceptionally well captained by Toby Robinson.

Club Championship

Gordon finished 6th out of 20 clubs in the Club Championship, achieving the goal of finishing in the top 10, with 42 wins recorded across the 5 grade teams. This was a very gratifying result and one the club as a whole should be pleased with.

Coaching

Elliot Richtor was again Head Coach of the Club as well as Poidevin Gray and 1st grade coach, and did an excellent job. He was well supported by Paul McLean, Brett Hunter, Dan Lee and a number of specialist coaches namely Matt Nicholson (fast bowling), Stuart MacGill (spin bowling) and Brett Rosen (wicket keeping). The club places great emphasis on the coaching made available to the players and a sincere thank you to all of these people for their contributions.

Nick Miller and Matt Wright did a wonderful job as the coaches of the A W Green Shield team and are to be congratulated on helping develop this young group of players. A note of thanks to Bob Thomas for his ongoing work in the background, it is valued by all.

Captains: Captaining a grade cricket team is a time consuming and demanding role, and I would like to thank all of those who captained teams this season. A sincere thank you to the following for their contributions as captains, Tym Crawford, Matt Keevers, Jamie Bekis, Shreyan Deshpande, Steve Bristow and Matt Brown in grade and Neil Sammons in Colts. Also, to those other players who were from time to time called upon to act as captains, your contribution was greatly appreciated.

Selectors: Geoff Hickman (Chair), Ed Howitt, Ben Woods and the team captains formed the selection panel for the season and thank you to all for your contribution during the year.

Communications Report

Our social media footprint has continued to grow over the 2023-24 season.

We have over 2,300 followers on *Instagram* representing a 15% increase over the course of the season. A typical post will reach 800-1,000 followers. Reels are much more popular, typically reaching 3,000 – 5,000 accounts, with one reel reaching over 14,000 accounts.

We have over 2,600 *Facebook* followers, representing a 13% increase over the course of the season. A typical post will reach 800-1,000 followers. Reels typically reach around 2,000 accounts.

However, some reels prove much more popular. Over 20,000 accounts were interested in watching a hapless Tigers bowler drop Tym Crawford in the middle of his century scoring spree. Highlights of our semifinal defeat at Manly were viewed by over 21,000 accounts. Highlights of Mitch Lole's maiden first grade century was viewed by over 30,000 accounts. Our most popular reel was footage of Matt Wright tying down and ultimately dismissing Tim Reynolds, with over 57,000 accounts engaged in that battle.

We recently established a TikTok account and already have over 2,200 followers on the platform. Our YouTube channel, StagTV, has 90 subscribers. Match highlights are often uploaded to Stag TV, typically being watched by around 500 people. A highlights package of the T20 Final has had 2,800 views.

We send out our digital newsletter, *Stag Roundup*, to around 500 subscribers.

The club conducted a media shoot for the first time this season. Most of our players attended one of the sessions and were photographed in a variety of poses with bat or ball. These photos proved useful throughout the course of the season when significant individual achievements were recognised.

Tony Wilson and I got around the grounds to photograph our players and made the photos available to players and supporters. A selection of our best photos is available on our website by choosing 'Player Photo Collection' from the 'Links' menu. My thanks to Tiddles for many years of service to the club with his camera.

Looking forward to the 2024-25 season, the club would welcome one or two more photographers or videographers or digital content creators, so that more of our players may be regularly seen in action. Happy to hear from anyone who would like to help.

Grants and Infrastructure Report

The Club's Executive Committee has been reviewing priority infrastructure projects to help support better playing and training facilities for our playing group. Projects that were identified as 'priority projects' included:

- Upgrade of the Artarmon Reserve Nets including enlarged net structure (Stage 1 & already completed), replacement of the synthetic grass (Stage 2) and construction of a roof to allow for a wet weather training facility (total value \$500k)
- Refurbishment of the Chatswood Oval site screens (total value \$30k)
- Construction of a permanent site screen at the southern end of Beauchamp Park (total value \$80k)
- Upgraded change facilities at Chatswood Oval (\$10m +)

Ben Woods

Clearly some of these projects require significant funding, planning and will require the support of Cricket NSW and all three levels of government.

In March 2024 the Club submitted an application to Cricket NSW for grant funding through the Australian Cricket Infrastructure Fund (ACIF). The grant application sought the maximum amount of \$40,000 to support the upgrade of the Artarmon Reserve Nets. The Club has since been advised that conditional approval of our application has been provided and can receive final approval once co-funding of \$40,000 has been secured with Willoughby City Council.

Progress has been made with the refurbishment of the Chatswood Oval site screens. Engineering design is now complete and we will now seek pricing to refurbish the existing screens as well as construction of an additional screen for each end. Timing for completion of the works will be subject to pricing of the work and availability of contractors to undertake the work.

The Club continues to work closely with Gordon Rugby Club and Willoughby City Council to develop plans for significant improvements to Chatswood Oval including upgrades to the playing surface (new turf, improved drainage and renovation of the wickets square), along with the longer term upgrades for a new grandstand, inclusive of new change facilities, function space and major renovation of the Trumper Pavilion.

The Club is also working with Council on some minor refurbishments for the centenary celebrations of the Trumper Pavilion in late 2024.

Operations Report

Summary

Operations ran as smoothly as can be expected this year, thanks to contributions from throughout the executive, administrative, and playing ranks of the club.

Ground bookings and cover roster, the “heavy lifting” of operation, was once again handled with great aplomb by Scott Hinton and the executive, as well as the covers.

Rob Carruthers

Next season we may well need at least one new sopper, with the one at Killara having been repaired many times over many years.

The coaching staff introduced a new, less costly ball supplier, Kangarucci, which received satisfactory reviews from players, and should provide an operational cost saving in seasons to come.

Grounds

Chatswood

It seems that we turned a corner off the field at least at Chatswood this year, with the closing of the childcare centre.

This provided both Cricket and Rugby clubs with the catalyst to undertake major cleanouts of all areas, and going forwards will benefit from new storage space, operating space, and longer access times.

Beauchamp

The square played well, and through consistent communication with council, the outfield was eventually kept at an acceptable level.

Killara

The playing conditions improved at Killara, helped by some helpful focus from the council groundsman.

Unfortunately, Killara remains neither a quality sports facility, nor off leash dog oval. Neither user communities have satisfactory use of the park.

First Grade Report

After a below par season last year, we were out to make amends in 2023-24. The team was extremely motivated to raise the standards and the level of play produced, they did not disappoint! Although we did not bring home any silverware, it was a very successful season for First Grade. Making the finals in the T20, Limited Overs and Two-Day competitions was a fantastic achievement given the youth of our squad. The Bill O'Reilly medal was also awarded to one of our players at the end of the season.

Four players made their first grade debut this season; Joey Gillard, an opening batsman and our wicketkeeper for most of the year; Mitchell Lole, a skilful medium pace bowler and middle order batsman; Jayllen Naganayagam, an aggressive, hard-hitting opening batsman and Jack Shelley, a flamboyant middle order batsman and off-spin tweaker. These players all gained valuable experience and have a lot to give in the coming seasons.

Tym Crawford

The season started with the T20 competition against Hawkesbury at Bensons Lane. In the first innings we bowled tightly, restricting the Hawks to 8-136. The second innings was a masterclass from Axel Cahlin, who belted 101* off 66 balls to get us home, one wicket down. Axel made it look easy, on what was a difficult wicket, continually swatting balls into or over the fence. The rest of our T20 group stage was rocky and we scraped through into the finals in third place. For the first of the extended finals matches, we travelled to Raby where we comprehensively beat Campbelltown Camden by 40 runs. Connor Cook had a strong game with the bat, finishing off the innings with some big sixes, and was very effective with the ball, taking crucial wickets. We knocked off Parramatta in the quarter-final, thanks to a strong partnership between James Newton and Trystan Kennedy. A memorable catch from Matt Wright was crucial and Quincy held his nerve with the ball at the end to ensure we won by 7 runs. A trip west to Penrith for the Semi-Final was our next challenge. After batting first, we compiled a total of 4-140. Although another 20 runs would have been ideal, our bowling attack performed outstandingly, with most bowlers conceding less than 6 runs per over. We restricted Penrith to 8-104 and the bus ride home was certainly one to remember!

On November 5, we were off to the big dance! Our opposition, Randwick-Petersham had a star-studded line up and had not lost a match in the T20 season. We won the toss and batted first, putting on a competitive score of 8-152. Unfortunately, we were unable to restrict the opposition and they passed our score with 4 wickets down and 8 balls to spare. The playing group should be very proud of their efforts, with 6 players at 21 years of age or under, this was a great learning experience. I must thank our supporters who travelled long distances to cheer us on and a big thank you to the club for organising buses that transported us to two of our finals matches.

Matt Wright

Throughout the T20 campaign, the bowlers all played their part at different times, building pressure and restricting opposition batters. Our most successful bowlers in this format were: Matt Wright, with his accurate left arm off-spin, who rarely delivered wide of the stumps; Callum Bladen who set the scene by often taking an early wicket with the new ball; and Quincy Titterton who changed his pace extremely well, making it difficult to hit boundaries. On the batting front, James Newton was

outstanding in the middle order, scoring 207 runs, averaging 34.50 with a top score of 60*. He alongside Trystan Kennedy, often steadied the ship and then propelled us forward into the back half of the innings.

In the Limited Overs Competition, we had mixed results in the early stages, however, we picked up momentum before and after the Christmas break, finishing 3rd to qualify for the finals. There were many significant performances in this competition. Connor Cook produced a magnificent spell of bowling in Round 2, ripping big off-breaks into the pads and stumps of the Parramatta batsmen. He claimed 6-38 from 8 overs. Later in the campaign Tym Crawford stepped up with the bat and put on some dominant batting displays. In Round 8, Gordon scored 6-393 (our record 50 over total) vs. Penrith, where Tym hit 205* from 140 balls. This was the highest score for a Gordon First Grade player in a 50 over match and also equalled the highest ever individual score in a First Grade 50 over match in NSW Premier Cricket. In the next game he scored 119 against Northern District and in Round 11 he amassed 164 against Sydney Uni.

Connor Cook

Other notable performances include; Jay 72 and Callum 4-28 vs. Penrith, Axel 55 vs. Northern District, Jay 69, Louis 57 and Quincy, Matt and Jack with 3 wickets vs. Sydney, Mitch 59, Nick & Connor 3 wickets vs. Sydney Uni and Trystan scored 63 in the Quarter-Final.

In the Two-Day Competition, we had mixed results with 4 wins, 2 draws and 3 losses and this will be our main area to improve next season. The highlights included some strong victories against Bankstown and Blacktown, a close, well fought win against local rivals Mosman, and a dominant win over UNSW. With late season momentum, we qualified for the finals in 5th place. We travelled to Manly and as the lower ranked side, we knew we needed to bowl them out for any chance of a victory. After toiling away for 132.2 overs, Manly were 7-496 and had batted us out of the game. The effort could not have been questioned throughout the day and a half, but sadly it wasn't to be!

Callum Bladen

Notable batting performances include: Trystan 132 and Joey 63 vs. Manly, Tym 101 and Jay 62 vs. North Sydney, Tym 94 vs. Mosman, Trystan 91* vs. Western Suburbs, Smit 65 and Tym 58 vs. Fairfield-Liverpool, Tym 130 and Jack 71 vs. Bankstown, Mitch 103*, Joey 89 and Tym 63 vs. Blacktown.

Notable bowling performances include: Nick 3-94 vs. Manly, Callum 5-14, Nick 2-19 and Mitch 3-5 vs. UNSW. Connor 5-73 and Matt 4-33 vs. Hawkesbury, Callum 5-75 vs. North Sydney, Callum 3-19 and Matt 3-74 vs. Mosman, Connor 5-114 vs. Western Suburbs, Callum 3-37 vs. Fairfield-Liverpool, Callum 4-20 vs. Bankstown, Matt 4-67 and Quincy 3-13 vs. Blacktown.

It was great to be a part of the development of many of our quality young players, who have showed great improvement. Their understanding of how to adapt to the game situation and how to put up a fight when the opposition had momentum was evident in many scenarios during the season.

Congratulations to Trystan Kennedy who was selected in the NSW U19 team. They played a one-off, three-day match vs. VIC U19 where Trystan scored a century, proving his class at this level.

After a remarkable season with the bat, Tym Crawford also received representative honours when he made his NSW 2nd XI debut. He scored 48 in a rained-out match against ACT. Tym's total of 1303 runs for the season was a club record and resulted in him being awarded the Bill O'Reilly medal. This award is voted on by the umpires in a 3, 2, and 1 scoring system at the end of every match in the Belvidere Cup. Gordon has a rich history with this award, with 5 players winning the medal, from the last 11 seasons. Tym also won the First Grade Captain of the Year and was the captain of the Merit XI for NSW Premier Cricket.

Tym Crawford

A different kind of highlight was the shaving of Quincy's hair during the lunch break of a match. Earlier in the season, Quincy was disappointed that a batsman was not scoring enough runs. He proceeded to make a bet with this player, suggesting that he would not score over a certain amount of runs. In the final game of the season, the batsman needed 60 runs to win the bet...and he didn't disappoint, scoring 63 runs...provoking a big cheer from the changing room. At lunch on day 2, the razor came out and Quincy's hair came off! If you thought that was rare, you would be correct. However, that wasn't the end of the wild scenes. The very first ball after lunch, Quincy ran in and got the opposition's best batsman out, caught behind. The boys went ballistic! Who said cricket is boring?

It would be remiss if I did not thank those who supported and coached us throughout the season. We were fortunate to have Elliot Richtor coach the team again this season. As a former player, his ongoing commitment to the team and the club is excellent. Elliot is very organised and determined to help all players reach their potential. Thank you for your personal support and the guidance of the team over the past two seasons. We were lucky to have Matt Nicholson, who is also a former Stag, but also NSW, WA and Australian player. Our playing group are very appreciative of Nicho's expertise and knowledge of bowling and the game in general. Another former stag, and my first Gordon captain, Brett Rosen was also on board, working with the wicketkeepers and as mental coach. I saw many players develop under his guidance and we are looking forward to being coached by Brett again next season.

Trystan Kennedy

I thank volunteers who were an outstanding support to the team this season. Firstly, Andrew Falk, our stalwart scorer, who claimed he did not miss a ball all season. With two new hips in the off-season, Falky was galloping around Chatswood Oval. Thank you to Prem, Antony Bladen and Michael Weaver who organised drinks, lunches and teas. Thanks to Jim Wright for taking fantastic photos and videos of countless moments throughout the season. Lastly, thank you to the committee members, friends and family who were often supporting from the sidelines.

Second Grade Report

Overview

Gordon Second Grade season can be summed up by the following statistics on the team's composition across the sixteen rounds -

- Five different captains;
- 12 different number four batsmen, with only one player batting there in consecutive innings; and
- 10 different combinations opening the bowling.

That is to say, Second Grade this year was unfortunately affected by a lot of inconsistency, which ultimately impacted the team's performance and resulted in the Stags finishing in tenth place. After being defeated in last season's semi-final by eventual premiers Manly-Warringah and making the finals in the 2021-22 season, this was a disappointing season in terms of the final result.

Despite that there were several highlights and magnificent performances for both the team and several individuals across the season.

Team highlights

Some of the best team performances came when the Stags found themselves in difficult situations and the team showed great resolve to work together. In Round 1, on one of the driest Chatswood Oval surfaces I have ever seen, the Stags all worked together in a scrappy 2 wicket win against Campbelltown-Camden.

In Round 4 against Manly at Manly Oval the Stags found themselves 6-96 at lunch in the first two-day of the season, after a difficult start on a lively deck. The middle and lower order showed great fight with Jack Shelley, Anay Baruah and Fraser Wilson showing their class, each scoring in the 60's against an experienced and dangerous Manly attack. The Stags posted 299 and pushed Manly to the edge in their chase on day 2, defeated by only 2 wickets.

Another great team performance came in Round 8 against Penrith at Howell Oval, in a fixture that was unfortunately 'heated off' as the temperatures reached up to 44 degrees. In stifling conditions, the Stags won the toss and bowled first on a good, bouncy wicket. Each member of the team contributed with great energy and commitment in the field and the Stags bowled Penrith out for 167. Unfortunately, we did not have the opportunity to attempt to chase the total; the umpires checked the temperature as Ryan Tullia took centre and determined it was too hot for play to continue. Nonetheless, the effort of each player in the field that day was fantastic and an example of the level at which this team could perform.

Finally, it was pleasing to see many great Second Grade performers of current and previous seasons make the most of their opportunities in First Grade and show the club (and competition) the talent they possess.

Individual highlights

There were also a number of terrific performances from individual members of the Second Grade team this year. On the batting front, these included:

- Louis Bhabra made a fine 102* carrying his bat and anchoring a successful chase against Eastern Suburbs in Round 2;
- Taj Brar made a swashbuckling 145 at better than a run a ball in a tied match against Sydney in Round 10. This was a phenomenal innings when no other Stags batter made it to 30;

Matt Keever

- Jamie Bekis dominated the Mosman bowling attack with 124 (including 16 fours and one six) in Round 12;
- Jack Shelley came to the crease at 3-9 against Western Suburbs in round 13 and counter-attacked excellently with 110 from 118 balls; and
- Ryan Tullia showed his trademark grit and concentration to score 104* against Fairfield-Liverpool in Round 14 and ensure the Stags drew the match.

The top bowling performances this season were:

- Mitch Lole showing all his tricks and skills with his array of slower-balls and cutters with 5-44 against Parramatta in round 3 (in a game where he also smashed 76 off 55 balls);
- Nick Toohey (5-23) and Jamie Bekis (5-40) each took five wickets against Blacktown in Round 16 in a fearsome display of fast (in Nick's case) and not-so-fast but still incredibly dangerous (in Jamie's case) bowling.

Congratulations to Jack Shelley who was awarded Second Grade Player of the Year for his performances (344 runs at an average of 49 and 16 wickets at an average of 21). Jack was rewarded for his excellent performances with a First Grade debut and several further appearances. Jack also won the Brian Taber Award for All Round Performances across the club this season.

Jack Shelley

Off field highlights

Off the field, it was great for the Second Grade team to invest time in bonding together socially. The team regularly enjoyed a beer or two on the ground after a day's play (and at times with the opposition) and it is this display of the Spirit of Cricket which helps to build culture at the club and will serve us well in the years to come.

Improvements and looking forward

Despite the great efforts of the team and individuals, unfortunately inconsistency this year cost Second Grade the opportunity to push for and compete in the finals. Some disappointing team performances resulted in hard losses against UNSW, Northern District and Sydney University. The Second Grade team can learn from these experiences to understand the importance of consistent application and effort to succeed in higher grade cricket.

Thank you

Finally, there are many people to whom I express significant and sincere gratitude on behalf of the Second Grade team. To everyone who volunteered their time to help the team get on the field each week 'thank you'. This is a significant operation that includes covers (mid-week, Fridays and weekends), the club committee, coaches and selectors for all that they do, photographer duties, volunteers assisting with preparing and packing up Chatswood Oval each Saturday and myriad other tasks such as scoring, buying afternoon tea, arranging blowers to dry wet patches on the pitch and ad-hoc medical assistance.

In particular, thank you to the following people who were regulars in helping out Second Grade this year (and apologies if I may have missed anyone): Ben Woods, Glenn Tullia, Sam Buono, Tony Wilson, Tom Stacy, Jim Cattlin, Michael Cant and Michael Weaver.

Third Grade Report

The 2023/24 season started with plenty of excitement as the mighty Stags were keen to transfer their hard work from the preseason into the regular fixtures. The season was filled with many highs and lows including great wins and individual performances throughout. Finishing 9th was a fair reflection of the season, an early change in leadership due to injuries in the higher grades meant the team had to adapt quickly and keep morale high.

Shreyan Deshpande

The season started on a high with a convincing win in a one-dayer against Campbelltown-Camden. Bowling first, Gordon restricted Campbelltown-Camden to 205 all out with Felix Booth kicking off his return to bowling in style, taking 4/39 off 8 overs. Newcomer Louis Prichard also impressed with 3/32 off 10 overs. The start of the batting innings was eventful with runs being scored and wickets falling at pace. The Stags found themselves 4/65 after 11 overs with the new ball doing plenty. However, Matt Newton took control of the situation, batting brilliantly and carrying his bat to finish 105*, the total was chased down in 43.2 overs with 4 wickets in hand.

Newton continued his form into round 2 against Eastern Suburbs, adding another 57 runs to his name in an 81-run partnership with young gun Toby Robinson who made 48. This was after Eastern Suburbs made 9/246 from their 50 overs where Shreyan Deshpande took his season best figures of 5/35 off 8 overs. However, the rest of the batting line up could not take advantage of a great start from Newton and Robinson, eventually being bowled out for 186 in the first loss of the season. Another loss against Parramatta in round 3 meant the Stags needed to find a way to bounce back strongly.

Round 4 was against Manly in the first 2 dayer of the season and unfortunately it was a disappointing result, Gordon managing 150 all out in a chase of 229. However, there were still shining lights in this game with Ashwin Premkumar taking 4/30 off 16 overs, continuing his brilliant return from injury and Apurv Sharma scoring more than half the team's runs with 77.

Fortunes shifted in round 5 with a great win over UNSW in another two dayer at Killara Oval. The Stags bowling unit made light work of UNSW, bowling them out for 63 in 30 overs. A ruthless Bryce Cook tore through the batting line up on route to the season's best bowling figures of 7/22 off 15 overs, finishing with 8/33 off 23 overs for the match. A little wobble at the start of Gordon's batting innings saw the score at 4/21 after 9 overs and had UNSW dreaming. However, Felix Booth and Hassan Rauf ensured that all the Bees could do was dream, putting on an 86-run partnership, with Booth carrying on at his destructive best to 131* (130). The score was declared at 7/225 and the game was called with UNSW 6/116 in their second innings.

The day two rain in round 6 meant a draw with Hawkesbury but this didn't stop it from being a memorable game. The club's future looked safe in the hands of two young guns Dylan Ranjan and Rory McLean, the two amassing a 211-run partnership in a mature display of stroke play and taking advantage of loose bowling when it comes. Ranjan (102) and McLean (111) compiled the highest 5th

wicket partnership for Gordon third grade, breaking the previous record of 181 by Damon Livermore and Hamish Angus.

Rory McLean during his 111

A heavy away loss against UTS North Sydney and then two convincing wins at home against Penrith and Northern District continued this roller coaster of a season, Max Newman outstanding with 59 in a great 5 wicket win against Northern District, who were a top 6 team at that point in the season.

A string of unavailabilities in the round before the Christmas break gave a platform for young up and comers to shine against Sydney in a one dayer. Sydney were restricted to 155, Shreyan Deshpande leading the way with 4/21 off 8 overs. It was a mixture of youth: Tim Richards (42) and experience: Steve Bristow (48*) that guided the Stags home in a two wicket win, chasing the total down in 46 overs.

In the New Year, the Stags were up against Sydney University, who proved to be too good in a one dayer at Killara Oval. There was hope when the eventual premiership winners were kept to 6/199 off their 50 overs. After a solid start of 1/59 off 15 overs, the rest of the batting innings didn't go to plan, the Stags were eventually bowled out for 133 and it was a reality check for where we needed to be if we wanted to play finals cricket.

We suffered another heavy loss in a two dayer against Mosman in Round 12. Losing the toss on a good pitch, the Stags bowled on day 1 and couldn't stop Mosman from getting away and scoring 8/324dec. Mosman must have perfected the rain dance on day 2 as consistent drizzle turned the pitch into one that had the ball talking. The Stags could only manage 157 all out however were only 1.2 overs away from securing a draw. A special mention must go out to Dylan Ranjan who made 71 and batted for 74 overs in the trickiest conditions of the season.

Fortunes turned once again when we took on Western Suburbs in a home one dayer. Winning the toss and batting first, the Stags compiled 8/252 off 50 overs with Ryan Tullia (67) and Max Newman (77) proving a class above. The bowlers were able to restrict Wests to 197 all out for another satisfying win at Killara Oval.

This momentum carried into Round 14 in an away two dayer against Fairfield-Liverpool. It was a good toss to win for Fairfield who batted first on a flat track and were bowled out for 240. Hassan Rauf bowled tight lines and made the batsmen pay for their mistakes, impressing with 4/63 off 19.4 overs. Then came the rollercoaster of a Saturday that was day 2. We arrived at Fairfield on a sunny day eager to get stuck into our batting, however the pitch was water logged. Three hours went by with the leaf blowers at full force and the Stags were left 241 to get in 53 overs and 6 points required for any chance at a taste of finals cricket. Two wickets were lost in one over and with the score at 2/5 off 6 overs it would have been easy to shut up shop and bat out the draw, but Rahul Krishna and Felix

Booth had other ideas. With positive stroke play they put on 42 runs in 9 overs against a spin heavy attack to keep the Stags in the hunt. Booth carried on in signature style to reach 111 and was ably supported by Rory McLean (53). Wickets fell and runs kept being scored. With four required off the last over and one wicket in hand, the lower order was able to bring the Stags home for a famous win. What a song that was!

The Stags were at home for the last two rounds of the season. Bankstown got the better of us in a one dayer as they were able to defend 172 with Gordon being bowled out for 139. Not an ideal result. However, the Stags bounced back strongly and ended the season on a high with a win against Blacktown, coming within one wicket of getting an outright win. Winning the toss and batting, Gordon quickly compiled 8/273dec in 65.2 overs. Shreyan Deshpande 60 (101) and Felix Booth 76 (67) put on 111 and Joel Austin didn't miss out on the party either with a swash-buckling 59 (57). Blacktown were bowled out for 165 in 43.3 overs early on day 2 and the Stags decided to go for the kill. Rory McLean took full advantage of the Blacktown bowling attack with 59 (29) in Gordon's second innings of 2/93dec from 8.2 overs. Blacktown came out swinging, chasing 200 in 40 overs for a reverse outright themselves. Wickets fell at regular intervals and eventually they shut up shop and managed to bat out the overs. Still, it was a good end to an enjoyable season.

Thanks to the coaching staff for their hard work during preseason and in season training, also parents and supporters on game days and club volunteers for their tireless work behind the scenes which does not go unnoticed. Without these fantastic people we wouldn't be able to create these great memories with our teammates. It should always be the goal of a Gordon side to make the top six and I look forward to next season with the hope of competing with a more consistent side. This, along with doing the basics right, especially having consistently good in-game fielding performances, will help us in the goal of playing finals cricket. Until then, winter awaits.

Fourth Grade Report

The season that could have been. My first season at the helm of 4th grade is best summed up as up and down. When at full strength we had the ability to mix it with the top six sides, but at other times we struggled for consistency and lost crucial games against teams that finished the season well below us on the ladder.

There were some strong wins against teams such as eventual premiers Manly, and an unforgettable defence of 120 against Western Suburbs. Then there were the disappointing results against teams such as Sydney and UNSW.

Stephen Bristow

The UNSW tie and the unfortunate no result because of the heat rule (which needs a revamp in terms of points being awarded for teams impacted) ended up costing us in the long run, as we fell just a couple points short of making the finals, finishing the season seventh in the competition.

Previous seasons I could explain the high rotation of players due to COVID, however the 23/24 season was not impacted by COVID. The club continues to struggle either side of Christmas, whether it be schoolies or players just not committing to a full season and going away for lengthy holidays. For the club to continue to push up the club championship we need more players committing to a full season. This is not just in the lower grades; the example needs to start at the top.

Whilst at times frustrating the turnover of players allowed some of the younger guys an opportunity at this level and 9 times out of 10 they grabbed their chance.

A big thank you again goes out to David Monaghan who stepped in at times skippering the team when I was either recalled to 3rd grade duties or suffering with a horrible bout of food poisoning.

Overall if we can get the same players to return for season 24/25 and have them commit to not missing too many games, we have a great opportunity to climb up the club championship as well as pressing for finals and potential grade wins.

A few special thanks...

- To all players who rolled out for Fourth Grade during the year.
- To the mums, dads, other family members, and other supporters who came down during the season.
- To the selectors for assisting picking teams, they do a lot of hard work, especially with phone calls on a Friday night with late pull outs.
- Last but not least to the committee and sponsors for all the behind the scenes work and support. We would not enjoy the game as we know it without your contributions.

6th Grade (Metropolitan Cup) Report

This one could be titled the one that got away. We had one loss by 1 run, another by 2 runs, one by 4 runs and one by 10 runs. Reverse two of those and you are close to the finals race. In all we had 6 games that we had every right to win going the other way.

But all the boys have taken learning from the season that will build a solid base of resilience during their long cricketing journeys to come.

The team played some excellent cricket over the season with 5 wins, 8 losses and a game abandoned. While the team finished in 13th position on the ladder with 33 points, Penrith who finished in 6th place with 54 points had 7 wins and 5 losses.

The outstanding batsman and 6th Grade Player of the year was Manas Dhargalkar who scored 398 runs at an average of 76 before being promoted to 5th grade where he scored 219 runs at 27.38. There were four other batsmen, Jack Osborn (253 @ 36), Tejas Budhraj (256 @ 32), Ansh Kapoor (229 @ 25) and Hayden Zywiets (209 @ 17) who scored more than 200 runs. There were also two centuries with Jack Osborn scoring 110 against Mosman and Shah Satva from our Green Shield team who scored 106 against UNSW in his only appearance in 6th Grade.

In the bowling, the wickets were spread across 12 players with Tejas Budhraj (15) and Keertheek Nagarajah (14) the only two bowlers taking more than 10 wickets. Tejas showed some allrounder skills by taking his wickets over 80 overs at an average of 23 with a haul of 6 for 63 in one match as well as scoring 256 runs.

All the boys who played during the season have immense talent and the future of the Stags is in good hands. At least half of the broader squad played in the higher grades & performed well. It's great to see the depth we have.

The reality of most Colts teams is that the teams are rarely balanced, but that also provides opportunities to some of the all-round talents to shine. This happened on many occasions. Some standouts were:

- James Patselis with the bat on a few occasions
- Sean Sammons (our keeper) taking the new ball when we were down on seamers & bowling great off spin when we were down spin options
- Krish Chhatre taking the gloves as well as providing some fantastic off spin
- Rex Farrelly scoring some very handy runs.

From a personal perspective, this was an amazing group to lead (very ably assisted by Jaeden Douglas when my 50 year body broke down). In my last playing season, I can sign off on a very happy note.

Poidevin Gray Shield Report

This year the PG boys had a brilliant regular season posting 4 great wins over St George, Eastern Suburbs, Sutherland and Mosman. In the final round game, we went down to Sydney by 6 runs in a nail biter. This record saw us as second in the Sixers pool. Unfortunately for us, we were outplayed by the Bears at North Sydney Oval which saw us bow out of the competition prematurely.

As a team we showed real promise stringing together some tough but classy wins against some strong sides. Our win against St George was a clear reflection of the way Gordon sides play, hanging in there the whole game and grinding out a great win. The highlight was Mac Webster, his first game for the club, bowling the house down, while also taking a hat trick, picking up 4-43. Joey Gillard hit a classy 52 while Cal Bladen took 3-31 off his 10 overs.

Our fight carried on to the next game against Easts on a flat and hot day at Chatswood. Our bowling innings was a grind with Bryce Cook making the big breakthrough for us along with Sid Singh taking a tidy 2-20, keeping them to 250 runs. Our innings was a brilliant chase with Felix Booth capitalising on his opportunity at number four belting a chanceless 80, TK hit 75 along with Mac's 43 not out, burying Easts.

Our next game took us down to Sutherland, to play an undefeated Sharks outfit. Our bowling was tough, but Nick Toohey bowled a rapid spell and closed the innings well taking 3-60, keeping them to 7-289. This was our most difficult task yet to attempt to remain undefeated. The opening stand between Jay and Joey of 134 got us off on the right foot, with Jay blasting a classy 75. Boothy's form continued with 84 not out and four bombs. However, the day belonged to Joey, hitting his first ton for the Stags with 107 winning us the game.

Next we took on our local rivals, Mosman at Allan Border Oval. The stags posted a brilliant 7-279 with young gun Rory McLean showing what Gordon is all about, personifying the next man up mentality, belting 84 not out. The whales did not get the memo to not drop short to Rory as he hit 4 sixes. Mac continued his brilliant start for us hitting a well-paced 82 runs. Bryce got us started with a big scalp on the second ball, and we continued to take wickets at crucial times throughout managing to restrict them to only 200.

Connor Cook

Joey Gillard

Nick Toohey

Our clash with Sydney, the last of the regular season, saw us lose our first game. Sydney posted 9-235, with Nick Toohey again the standout, claiming 4-52. The theme of this game, although an unfortunate loss, was the young talent continually coming through and stepping up for the club. Toby Robinson on PG's debut claimed 1-37 along with a classy 47. Dylan Ranjan batted the house down in our total of 229, making 54. Udey Gill also had a fantastic all-round performance with 25 and 2 wickets.

In the post season, we unfortunately went down to the eventual champions in North Sydney. It didn't go our way on this occasion and was a disappointing end to the season, and the PG's career for some players.

Overall for the season, it was a great test of character for the young side, we showed grit and determination which will hold the team in good stead for the future regardless of results.

A.W. Green Shield Report

*Back Row: Nick Miller, Cooper Pullen, Toby Robinson, Tom Fuzes, Sam Dillon, Campbell Smith, George Harris, Finn O'Farrell.
Front Row: Satva Shah, Atharv Dwivedi, Archie Hetherington, Sean Twining, Vivaan Gandhi, Tyler McInnes
Absent: Aarav Ahluwalia, Ansh Gupta*

Gordon's AW Green Shield team enjoyed a fantastic season winning five from six games (one wash-out) in the preliminary rounds, including 2 bonus points and losing in a hard-fought Semi Final against Manly. The boys should feel proud of their season, to come together in a short space of time, train, play some high quality and exciting cricket and just miss out on playing in the final is a wonderful achievement.

The team played every game with passion, determination and skill. This young team's strength of character and maturity enabled them to meet the challenges of a rigorous Green Shield season. The selectors had once again performed a fantastic job in assembling a very talented group of young cricketers led by Captain Toby Robinson. It was a well-balanced team with a good mix of experienced and new players. The team had two players returning for their third season of Green Shield cricket (Vivaan Gandhi and Toby Robinson). We also had two outstanding country players join the team (Tyler McInnes from Newcastle Zone and Cooper Pullen from Western Zone). Six of the team members were in the NSW Metropolitan State Squads (Toby Robinson, Campbell Smith, Sam Dillon, Finn O'Farrell, Satva Shah, Atharv Dwivedi). There was excellent depth in batting, bowling and wicket keeping.

Nick Miller and Matt Wright coached the team again this season and did a terrific job mentoring the boys and generously sharing their time and skills to help develop the team. Nick and Matt brought a wealth of cricketing experience and worked well with the boys to build a strong sense of team spirit. The boys sang the Gordon song with gusto after each win.

The Green Shield team was well supported throughout the season by the club. Many Gordon officials, and Grade players attended the cap presentation at Chatswood Oval by President Michael Cant. We also had several club officials and supporters assist with the numerous tasks that needed to be performed behind the scenes to keep the competition running smoothly. Several senior players from

the club regularly attended the games to encourage and support the team during the season. This was very much welcomed by the boys and is a testament to the club's culture and values.

Congratulations to Vivaan Gandhi and Tyler McInnes who were selected in the Green Shield Merit XII for 2023-24 because of their excellent performances across the season. Vivaan scored an aggregate of 256 runs at 42.67 with a high score of 82 and Tyler took 11 wickets at 6.36 with a best of 4-11.

I acknowledge the contribution of Bob Thomas. In addition to assisting with squad selection, Bob ensured everything was in place for the start of the season and was always willing to assist and support the team. Gordon is very fortunate to have Bob's involvement in Junior Development where he combines his cricket expertise with his extraordinary passion for supporting and developing the young players at the Club. It is a joy seeing the joy he gets watching the boys play.

A special mention also to Andy Falk who made sure there were no hiccups with PlayHQ, live scoring, home game facilities and Frogbox. Tony Wilson once again captured a fantastic set of match day photos throughout the tournament which will help bring back fond memories of the Greenies experience in years to come.

Finally, a huge thank you to the parent group who supported the boys so well and helped with scoring, covers duty, the team lunches and all the other tasks that needed to be completed in preparation for the games.

ROUND 1 VS PARRAMATTA AT CHATSWOOD OVAL

Parramatta 338 (49 overs)

Cam Smith 2-29 (10 overs), Archie Hetherington 2-45 (8 overs), Cooper Pullen 2-48 (5.3 overs)

Defeated Gordon 97 (26.5 overs)

It was a tough start to the 2024/25 Green Shield season, after winning the toss and putting Parramatta into bat, their openers got off to a flying start and their number 4 scored a classy 145 (114). It was always going to be a tough chase and our top order needed to put together some strong partnerships to chase down 338 runs. Unfortunately, it wasn't our day, and we were all out for 97 in the 26th over.

ROUND 2 VS UNSW AT BEAUCHAMP OVAL

Game abandoned due to rain

ROUND 3 VS CAMPBELLTOWN-CAMDEN AT RABY SPORTS COMPLEX

Gordon 185 (45.5 overs)

Vivaan Gandhi 35 (45), Cam Smith 39 (37), Sean Twining 21 (30)

Defeated Campbelltown-Camden 128 (46.2 overs)

Tom Fuzes 0-15 (7 overs), Cam Smith 0-15 (10 overs), Tyler McInnes 4-12 (4.2 overs), Sam Dillon 3-22 (10 overs), Vivaan Gandhi 2-30 (8 overs)

After the disappointing Round 1 loss and a frustrating Round 2 wash-out the boys built a defendable 185 target with great contributions from Vivaan Gandhi and Cam Smith. The bowling performance was excellent with the Campbelltown batters finding it hard to score and pressure continued to build. It was a day for the spinners with Cam Smith bowling 3 maidens in his 10 overs, Sam Dillon taking 3 wickets, including an athletic caught and bowled, and an impressive spell from Tyler McInnes mopping up the tail taking a quick 4-12. Sean Twining's wicket keeping performance was exceptional with 3 stumpings. With the boys back on track everyone was looking forward to going back to Chatswood Oval to take on Penrith in Round 4.

ROUND 4 VS PENRITH AT CHATSWOOD OVAL**Gordon 272 (48.4 overs)**

Sean Twining 25 (33), Vivaan Gandhi 82 (92), Cam Smith 45 (49), Atharv Dwivedi 40 (51), Tom Fuzes 22 (17)

Defeated Penrith 104 (30.5 overs)

Tom Fuzes 1-10 (4 overs), Cam Smith 2-18 (8 overs), Tyler McInnes 4-11 (5.5 overs), Satva Shah 2-10 (2 overs)

Perhaps learning from Round 1 Gordon won the toss and chose to bat posting an impressive 272 runs from 48.4 overs. At 3-42 Gordon needed some good partnerships and Cam Smith, Vivaan Gandhi and Atharv Dwivedi delivered. Vivaan Gandhi scored an impressive 82 from 92 anchoring the innings. Tom Fuzes batting at 8 put on a valuable 22 (17). The bowlers continued where they left off from the prior week and made it difficult for the opposition bats to get any momentum. A great start from Tom Fuzes and Cam Smith dismissing the top 3 bats for 19 set up the game for Gordon with Tyler McInnes again wreaking havoc taking 4-11 from 5.5 overs. A convincing 168 run victory, the boys were 2 from 3.

ROUND 5 VS MOSMAN AT ALLAN BORDER OVAL**Gordon 7-220 (44 overs)**

Finn O'Farrell 23 (53), Toby Robinson 30 (58), Vivaan Gandhi 41 (47), Cam Smith 23 (19), Tyler McInnes 56 (56)

Defeated Mosman 121 (33.1 overs)

Tom Fuzes 2-20 (6 overs), Cam Smith 3-33 (9 overs), Sam Dillon 2-25 (9 overs), Satva Shah 2-19 (3 overs)

This was the much-anticipated local derby between Gordon and Mosman with both teams comprising several local North Shore players. With a delayed start due to rain the game was reduced to 44 overs. Mosman won the toss and put Gordon into bat. At 3-90 Gordon had started well in the overcast conditions but Cam Smith 23 (19), Tyler McInnes 56 (56) and Vivaan Gandhi 41 (47) scored freely pushing the total to 220 in the available 44 overs. The bowling unit performed exceptionally well with the quicks bowling good line and length and the spinners again proving difficult to score against. Mosman only managed 6 boundaries, highlighting the quality of the Gordon bowling attack. A convincing 99 run victory, the boys were 3 from 4.

ROUND 6 VS BANKSTOWN AT BANKSTOWN OVAL**Gordon 190 (48 overs)**

Finn O'Farrell 20 (20), Vivaan Gandhi 71 (92), Tyler McInnes 21 (36),

Defeated Bankstown 139 (43.4 overs)

Archie Hetherington 1-17 (4 overs), Cam Smith 1-6 (7 overs), Sam Dillon 1-29 (7 overs), Satva Shah 2-12 (4 overs), Tyler McInnes 3-11 (5.4 overs)

The boys were keen to continue the successful streak and after winning the toss chose to bat. Finn O'Farrell started strongly putting on a quick 20 (20), but once again Vivaan Gandhi was the anchor scoring 71 (92). With contributions from Cooper Pullen 12 (34) and Tyler McInnes 21 (36) and some loose bowling from Bankstown, Gordon posted a defendable 190 in 48 overs.

The wickets were shared amongst 7 bowlers and once again Tyler McInnes contributed strongly with 3-11 of 5.4 overs and Cam Smith a very tidy 1-6 off 7 overs.

Bankstown succumbed in the 44th over and the Gordon run of wins continued.

A convincing 51 run victory, the boys were 4 from 5.

ROUND 7 VS SUTHERLAND AT CHATSWOOD OVAL**Gordon 183 (42.3 overs)**

T Sean Twining 63 (97), Finn O'Farrell 22 (44), Toby Robinson 43 (41),

Defeated Sutherland 175 (50 overs)

Tom Fuzes 0-24 (9 overs), Cam Smith 1-19 (8 overs), Sam Dillon 1-24 (10 overs), Archie Hetherington 1-16 (4 overs), Vivaan Gandhi 3-35 (10 overs)

With solid performances through the preliminary rounds the boys were keen to finish strongly against Sutherland and cement a position in the Quarter Finals. Sutherland had performed well during the preliminary rounds and a home Quarter Final was at stake. Winning the toss, Gordon chose to bat, and Sean Twining and Finn O'Farrell got off to a good start. Finn O'Farrell was out in the 12th over for 22. Toby Robinson pushed the run rate along with a solid 43 (41) while Sean Twining batted on superbly scoring 63 (97) eventually falling in the 38th over. With Gordon all out for 183 in the 43rd over the team was going to need to bowl and field well to continue the winning streak.

The bowling unit had shown during the season that they were difficult to "get away" and this trend continued against Sutherland. The bowling performance was such that Sutherland couldn't match the Gordon run rate and were behind the game from the first ball despite Gordon only batting for 42 overs. The bowling partnerships that had developed throughout the season proved to be a successful recipe.

An 8 run victory, the boys were 5 from 6. The boys had secured a home Quarter Final and another match up against Mosman.

QUARTER FINAL VS MOSMAN AT CHATSWOOD OVAL**Gordon 240 (42 overs)**

Sean Twining 27 (46), Toby Robinson 39 (32), Vivaan Gandhi 52 (52), Cam Smith 46 (30), Tyler McInnes 15 (19), Cooper Pullen 18 (22)

Defeated Mosman 188 (42 overs)

Tom Fuzes 1-23 (5 overs), Cam Smith 1-24 (9 overs), Sam Dillon 1-22 (9 overs), Tyler McInnes 2-22 (3 overs), Archie Hetherington 1-21 (4 overs), Cooper Pullen 1-3 (1)

The team was expecting to come up against a different Mosman to the team they played in Round 5. A Semi Final would be the prize and Gordon were determined to come out on top. This was another rain affected match with the game being reduced to 42 overs. Winning the toss, Gordon chose to bat. Sean Twining started well with a handy 27 (46). Toby Robinson pushed the run rate, scoring a quick 39 (32), including 6 fours. Vivaan Gandhi once again anchored the innings scoring a quality 52 (52) but it was Cam Smith who provided the entertainment scoring a dashing 46 from 30 deliveries, including 6 fours and a six. Tyler McInnes and Cooper Pullen contributed a valuable 15 and 18 respectively with Gordon all out for 240 runs from the 42 overs. It was a defendable score, but the boys needed to bowl and field well to secure a spot in the Semi Final.

The bowling group performances had been a highlight of the season and once again they delivered for the team. Mosman were behind the required run rate from the 5th over and continued to fall behind thanks to the tight bowling from the quicks and spinners. Sean Twining also had a good day with the gloves taking 2 catches and a stumping. It was a convincing 52 run win to Gordon with the boys now winning 6 from 7 and earning a home Semi Final against Manly.

SEMI FINAL VS MANLY AT BEAUCHAMP OVAL

Gordon 7-188 (50 overs)

Toby Robinson 75 (121), Cooper Pullen 26 (48), Atharv Dwivedi 29 (44), Satva Shah 15 (17),

Defeated by Manly 6-189 (44.3 overs)

Tom Fuzes 2-22 (6 overs), Cam Smith 0-23 (10 overs), Sam Dillon 2-33 (10 overs), Tyler McInnes 1-23 (4.3 overs)

This was the first Gordon Green Shield Semi Final appearance for several years and the team was feeling confident given performances throughout the season to date. The game was played at Beauchamp Oval, a first for the season as Chatswood Oval was not available.

Gordon won the toss and elected to bat on what looked to be a good batting deck. With our openers falling quickly Toby Robinson came to the crease in the 3rd over and batted superbly for 75 (121). He was eventually out, caught in the 46th over. Good contributions from Cooper Pullen 26 (48), Atharv Dwivedi 29 (44) and Satva Shah 15 (17) helped Gordon post a score of 188 for the 50 overs. While defendable a score of 188 was below par, particularly against Manly who had batted well throughout the tournament.

The bowling group again performed well keeping us in the game with the difference being the Manly number 4 batter who made an unbeaten 95. Our wicket keeper Sean Twining put in another great performance with a catch, a run out and a stumping.

Unfortunately, Gordon was beaten on the day but overall the 2023/24 season was an overwhelming success with some great performances throughout the tournament. The boys did a fantastic job representing Gordon and their coaches playing some exciting cricket and just missing out on a spot in the final. The memories and friendships made through the Green Shield experience will be with them forever.
