

Player Registration Instructions/"Rules"/Notes for 2026-27 Season:

- Registration is compulsory. If you do not register, you cannot represent the Gordon DCC this season.
- Returning players should use the same login credentials that they used/created last year to register. New players to this registration process should "Create a PlayHQ Account".
- Complete/Check your Participant Details
- At the bottom of the Participant Details Page:
 - Players aged under 18 years of age (whether they are registering themselves or are being registered as a dependant by a parent or guardian) are asked to provide "Video Consent" so that they can "appear in video recordings of games that are displayed publicly". Except under exceptional circumstances, please select "Yes"
 - All players can elect not to display their names in publicly-displayed team scorecards and statistics. Except under exceptional circumstances, please select "Visible".
- Then click "Save and Continue" to the "Fees" page.
 - The National Registration Fee (\$36.50 for Senior players) must be paid by everyone. Also a new PlayHQ "Platform fee" of \$12.76 is also payable.
 - In the middle of the Club Player Registration Fee line is a "Please Select" drop-down.
 - Select:
 - "Grade Senior Player" if you are not a Secondary or Tertiary Student
 - "Grade Student" if you are a Secondary or Tertiary Student
 - "AW Green Shield" for players in the Green Shield Squad who are also NOT full-time grade players. Full-time Grade players who are also in Green Shield only need to pay the "Grade Student" registration fee.
 - "Grade Casual" is for players who are provided with gear but who, for any reason, can expect to only play a few games during the season. Three matches are included in this subscription.
 - The "Total" owed by the player for the season is displayed on the screen.
 - Put a tick in the box to acknowledge that:
You have read and agree to the [Australian Cricket Privacy Policy](#), the [Collection Statement](#) and the following terms and conditions outlined by Cricket Australia, my club and affiliated associations, etc.
And click "Continue →"
- On the final Review & Confirm Page, everything is fairly self-explanatory.
 - The Club would prefer that all players pay 100% of their subscriptions up-front at the time of registration so in the "Payment" area, click on [Pay Now] at the top and then the "Confirm & Pay" button.
 - There is, however, an option for players to "Pay in Instalments". This replaces the "Discount Voucher" schemes available in previous years.
 - "Grade Senior" and "Grade Student" players may elect to pay 50% of their player subscriptions at the time of registration with the balance split equally over following months until the full fee is paid on 30th November. Select [Pay in Instalments] to activate this payment option.

For example, if a Grade Senior player registers during September and elects to pay in instalments, 50% of the Club Player Registration fee plus the mandatory CA & PlayHQ fees are payable immediately.

Then on each of 30th October and 30th November, amounts equal to 25% of the Club Player Registration fees are debited to the credit card used for the initial payment.

This ensures that all player subs are paid in full by 30th November.

- Any queries about the registration process should be addressed to the Hon. Secretary (Andrew Falk, secretary@gordoncricket.com, mob: 0418 208532).
